## Overbed Table

ERGONOMIC AUTO-LIFT DESIGN

NO BENDING REQUIRED

## Ergonomic Design & Antimicrobial Top

PremiumLift Overbed Table antimicrobial table top slow the spread of microorganisms. Microorganisms include bacteria, viruses, protozoans, and fungi.

The thermoformed top is designed with infection control in mind. The surface is non-porous and gap free, which eliminates areas for water to collect and bacteria to grow.

PremiumLift Overbed Table unique design has an Auto-lift mechanism allowing the patient to effortlessly raise the table top from any position.

The table top will remain at the required position with no further adjustments and is lowered by using the handle with no bending required.

Timber Look (Beech)

Polar White (White)

Pearl Grey (Light Grey)
