REMOTE GUIDE

CAUTIONS

Scan QR Code, download and read complete User Manual prior to using Deluxe Floor Bed "The Bed"

Do not sit on the head and leg section of the bed when operating the raise function.

Ensure the recommended service and maintenance schedule is completed. Failure to do so may invalidate warranty claims.

WARNINGS

Before lowering the bed check the area underneath is clear. Any obstructing items could be damaged or could cause instability to the bed.

Take care when lowering the bed to ensure limbs of any person or other objects present do not become trapped under the bed. Do not store the power supply under the bed.

INSTALLATION

- Lay The Bed on the floor, remove all components from carton and get rid of all packaging.
- Make sure motors and power supply are connected to the control box.
- Insert the mains plug into the socket
- Pair Handset
